A deposit of 4 lessons for each subject is payable at the time of signup, in addition to the first month's fees. The deposit for the 4 lessons serve as a 'withdrawal deposit'. This means that if the student wants to withdraw from our Centre, he/she will need to give us at least one month's notice upon the submission of the withdrawal form. We will use the deposit to offset the following month's tuition fees. Kindly note that should the notice period given be less than one month, the deposit will be forfeited.

A one time refundable registration fee of \$30 is applicable to new students who join our regular classes. This registration fee will be refunded after the student has completed 3 months of classes.

Material Fee will be collected in Jan and Jun. For students who joined mid of term, material fee will be charged on a prorated basis in the 1st invoice.

For new students, all fees has to be paid in full at least one week before the first lesson commences. Fees for the following month (i.e December) will be due by the last week of the previous month (i.e November). Tuition fees paid and deposits made are strictly non-refundable and non-transferrable.

Please do note that there will be a late fee of \$10 if tuition fee payment is not settled by the due date reflected in the invoice.
